Vaccine Policy

Grow With Me Pediatrics LLC values shared decision making and therefore will work with families who wish to pursue an alternative or delayed vaccination schedule. However, we strive to provide optimal care for our patients and therefore we strongly value childhood vaccinations. For those who choose to delay or pursue an alternative schedule, our qualified team will work with you to establish this schedule, with the goal of having all patients on track for vaccinations by two years of age. An alternative schedule must be established with the provider if this is chosen. We follow the American Academy of Pediatrics (AAP) and the Centers for Disease Control and Prevention (CDC).

Late, Cancellation, & No Show Policy

We understand, especially as mothers ourselves, that life is busy and schedules are difficult. However, we want to be able to provide the best care for our patients, so we value our time, just like we value yours. Any patient that is more than fifteen minutes late to an appointment will be kindly asked to reschedule by our staff. For those appointments that are no showed, the first time is excusable. The second no showed appointment is scheduled to a \$50 no show fee. Any no showed visits after that are subject to evaluation by the owner. We kindly request that any physicals in which a parent requests to cancel, a 24 hour notice is provided. Any sick visit that is cancelled, we require at least a 2 hour notice. Appointments that are not cancelled in a timely manner may be subject to our no show policy.

Assessment of Puberty

Grow With Me Pediatrics follows the standard of care for well child exams, which includes an assessment of sexual maturation. It is important to assess for the absence of premature puberty or any physical abnormalities. This entails a proper physical examination that requires a visual assessment with a chaperone present. If you are uncomfortable with this assessment or have any questions, please consult with your provider. If you wish to decline this assessment, please let your provider know during your exam. Some physicals, such as a sports physical, require these assessments to assess for hernias.

Medication Refill Policy

We kindly request that for all ongoing medications, you first contact your pharmacy for refills. We then receive these requests through our EMR. If you are having difficulties with this, please contact our office staff. For any controlled substance, we have 24 business hours to refill all medications. Your child must be up to date on their medication follow-up appointments for refills to be granted.

Divorced or Separated Parents

We understand that every family's structure is different, however, it is your responsibility to communicate if needed regarding your child's care or visit. Whoever is present for the visit is responsible for communicating the result of that appointment to the child's other legal guardian or parent if deemed necessary. Providers are not responsible for contacting any non-present parent or guardians at time of visit. The parent present for the visit is responsible for the co-pay. Our staff will not be placed in the middle of domestic disagreements or disputes.
